

7th Investigative Rhinology Course & 3rd Investigative Audiology Course

16-18 October 2026

Location: Medical School, Aristotle University of Thessaloniki

Rhinology Course director: Prof. Iordanis Konstantinidis

- Skin Prick Tests
- Olfactory Testing
- Rhinomanometry
- PNIF
- Nasal Endoscopy
- Trigeminal Testing

Organization

Hellenic Society of ENT Allergy,
Immunology & Sleep Disorders

In collaboration with the

1st and 2nd Academic ORL Departments
of Aristotle University of Thessaloniki

Under the Auspices

Medical School
Aristotle University of Thessaloniki

Course Secretariat

info@mk-premium.com, Tel. +357 99812240
Tel. +30 2310226250, www.mk-premium.com

Audiology Course director: Prof. George Psillas

- Micro-otoscopy, Otendoscopy
- Pure Tone Audiometry, Tympanometry
- Pediatric Visual reinforcement audiometry
- Auditory brainstem response
- Otoacoustic Emissions
- Vestibular Testing

PROGRAM

7th Investigative Rhinology Course & 3rd Investigative Audiology Course

Rhinology Course director:

Prof. Iordanis Konstantinidis

- Skin Prick Tests
- Olfactory Testing
- Rhinomanometry
- PNIF
- Nasal Endoscopy
- Trigeminal Testing

16-18 October 2026

7th Investigative Rhinology Course

16-18 October 2026

Friday 16 October 2026

15.45 - 16.00

Welcome - Introduction
Iordanis Konstantinidis

16.00 - 18.00

Moderator: **Stefanos Triaridis**

16.00 - 16.30

Olfaction: clinical measurements
Thomas Hummel

16.30 - 17.00

Allergic rhinitis workup
Valerie Hox

17.00 - 17.30

Radiology basics in Rhinology
Carl Philpott

17.30 - 18.00

Laboratory exams in Rhinology
Konstantinos Garefis

18.00 - 18.30

Coffee break - Light lunch

Location: Medical School, Aristotle University of Thessaloniki

Organization

Hellenic Society of ENT Allergy,
Immunology & Sleep Disorders

In collaboration with the

1st and 2nd Academic ORL Departments
of Aristotle University of Thessaloniki

Audiology Course director:

Prof. George Psillas

- Micro-otoscopy, Otendoscopy
- Pure Tone Audiometry, Tympanometry
- Pediatric Visual reinforcement audiometry
- Auditory brainstem response
- Otoacoustic Emissions
- Vestibular Testing

Secretariat

info@mk-premium.com, Tel. +357 99612240
Tel. +36 2376226250, www.mk-premium.com

7th Investigative Rhinology Course

Friday 16 October 2026

18.30 - 20.30

Moderator: **Iordanis Konstantinidis**

18.30 - 19.00

Questionnaires in Rhinology
Iordanis Konstantinidis

19.00 - 19.30

Nasal Obstruction assessment
Giancarlo Ottaviano

19.30 - 20.00

Taste clinical assessment
Basile Landis

20.00 - 20.30

Nasal endoscopy
Iordanis Konstantinidis

7th Investigative Rhinology Course & 3rd Investigative Audiology Course

Rhinology Course director:

Prof. Iordanis Konstantinidis

- Skin Prick Tests
- Olfactory Testing
- Rhinomanometry
- PNIF
- Nasal Endoscopy
- Trigeminal Testing

16-18 October 2026

7th Investigative Rhinology Course

Saturday 17 October 2026

09.00 - 09.30

Olfactory dysfunction in CRSwNP and the use of biologics

Iordanis Konstantinidis

09.30 - 10.00

Measurements of vocal nasality

Konstantinos Valsamidis

10.00 - 13.00

Hands-on Stations

Station 1:

Nasal airway measurements

Konstantinos Garefis

Station 2:

Skin prick testing

Evangelia Tsakiropoulou

Station 3:

Olfactory function testing

Iordanis Konstantinidis

Station 4:

Nasal endoscopy

Konstantinos Valsamidis

Location: Medical School, Aristotle University of Thessaloniki

Organization

Hellenic Society of ENT Allergy,
Immunology & Sleep Disorders

In collaboration with the

1st and 2nd Academic ORL Departments
of Aristotle University of Thessaloniki

Audiology Course director:

Prof. George Psillas

- Micro-otoscopy, Otendoscopy
- Pure Tone Audiometry, Tympanometry
- Pediatric Visual reinforcement audiometry
- Auditory brainstem response
- Otoacoustic Emissions
- Vestibular Testing

Secretariat

Tel. +30 2316226250, www.mx-premium.com

7th Investigative Rhinology Course

Saturday 17 October 2026

Speakers – Moderators – Tutors

Prof. **Iordanis Konstantinidis** | Aristotle University, Greece

Prof. **Stefanos Triaridis** | Aristotle University, Greece

Prof. **Thomas Hummel** | Dresden University, Germany

Prof. **Basile Landis** | Geneva University, Switzerland

Prof. **Carl Philpott** | East Anglia University, UK

Prof. **Giancarlo Ottaviano**

Assoc. Prof. **Valerie Hox** | St. Luc University, Belgium

Konstantinos Valsamidis | Reader in Otolaryngology,
Aristotle University, Greece

Konstantinos Garefis | Clinical Fellow 2nd Academic ORL Dept.
Papegeorgiou Hospital

Evangelia Tsakiropoulou | Clinical Fellow 2nd Academic ORL Dept.
Papegeorgiou Hospital

13.00 - 14.00 Coffee break - Light lunch

7th Investigative Rhinology Course & 3rd Investigative Audiology Course

Rhinology Course director:

Prof. Iordanis Konstantinidis

- Skin Prick Tests
- Olfactory Testing
- Rhinomanometry
- PNIF
- Nasal Endoscopy
- Trigeminal Testing

16-18 October 2026

3rd Investigative Neurotology Audiology Course

Saturday 17 October 2026

17.00 - 19.30

17:00 - 17:20

17:20 - 17:30

17:30 - 17:50

17:50 - 18:00

18:00 - 18:20

18:20 - 18:30

18:30 - 18:50

18:50 - 19:00

19:00 - 19:20

19:20 - 19:30

Moderator: **Stefanos Triaridis**

Clinical bedside examination of vestibular disorders
Kalioppi Rova

Discussion

Vestibular function testings in clinical practice
Ioannis Koskinas

Discussion

Initial laboratory assessment of the hearing -
impaired patient
Konstantinos Valsamidis

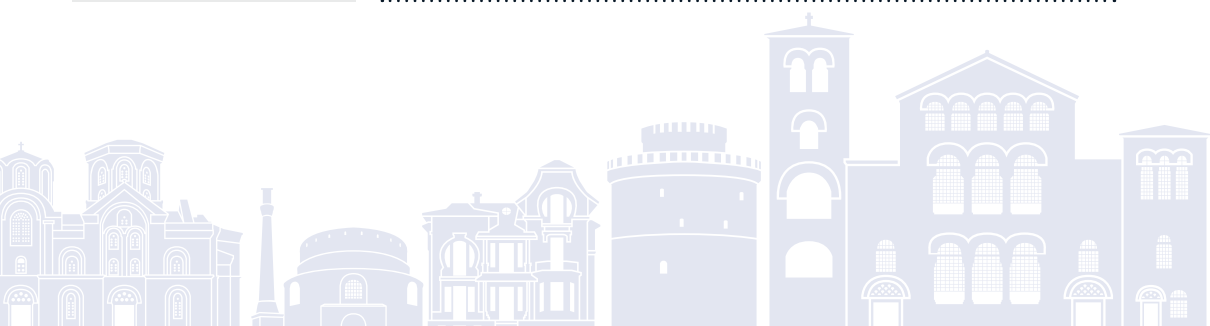

Discussion

Objective diagnostic tests for hearing loss
Vasileios Nicolaidis

Discussion

Electrophysiological evaluation of facial nerve
function
Marios-Ilias Givannakis

Discussion

Location: Medical School, Aristotle University of Thessaloniki

Organization

Hellenic Society of ENT Allergy,
Immunology & Sleep Disorders

In collaboration with the

1st and 2nd Academic ORL Departments
of Aristotle University of Thessaloniki

Audiology Course director:

Prof. George Psillas

- Micro-otoscopy, Otendoscopy
- Pure Tone Audiometry, Tympanometry
- Pediatric Visual reinforcement audiometry
- Auditory brainstem response
- Otoacoustic Emissions
- Vestibular Testing

Secretariat

info@mix-premium.com, Tel. +357 99612240
Tel. +36 2376226250, www.mix-premium.com

Sunday 18 October 2026

09:00 - 14:00 Hands-on Practice Session

1. Performing microscopic examination, otendoscopy, pure tone audiometry (PTA), auditory brainstem response (ABR), otoacoustic emissions (OAEs)
2. Principles of pure-tone audiometry, tympanometry, tubomanometry, pediatric visual reinforcement audiometry (VRA), speech audiometry
3. Performing vestibular tests: Calorics, rotary chair testing, electronystagmography, vestibular evoked myogenic potentials (VEMP), video head impulse test (vHIT), Dix-Hallpike test and Epley, Semont, Barbecue manoeuvres

INSTRUCTORS:

Georgios Psillas | Professor of Otolaryngology & Neurotology, AHEPA University Hospital

Vasileios Nicolaidis | Associate of Otolaryngology & Neurotology Papageorgiou University Hospital

Konstantinos Valsamidis | Reader in Otolaryngology, AHEPA University Hospital

Kalioppi Rova | ENT Consultant, Specialist in Audiology, Papanikolaou Hospital

Georgios Kyriafinis | ENT Consultant, Specialist in Audiology, AHEPA University Hospital

Ioannis Koskinas | Fellow in Otolaryngology & Neurotology, AHEPA University Hospital

Marios-Ilias Givannakis | Fellow in Otolaryngology & Neurotology, AHEPA University Hospital

14:00 - 15:00 Coffee break - Light lunch

15:00

END OF SEMINAR

(SEMINAR HOURS: 15,75)

7th Investigative Rhinology Course & 3rd Investigative Audiology Course

Rhinology Course director:

Prof. Iordanis Konstantinidis

- Skin Prick Tests
- Olfactory Testing
- Rhinomanometry
- PNIF
- Nasal Endoscopy
- Trigeminal Testing

16-18 October 2026

INDEX

GAREFIS KONSTANTINOS

MD, MSc (Res), MSc (Sall), PhD(c), Otolaryngologist (ENT Specialist), Academic Assistant, 2nd University ENT Clinic, Aristotle University of Thessaloniki (AUTH), "Papageorgiou" General Hospital, Thessaloniki, Greece

GIVANNAKIS MARIOS - ILIAS

Otolaryngologist (ENT Specialist) – Academic Fellow, 1st ENT Clinic, Aristotle University of Thessaloniki (AUTH), AHEPA University Hospital

HOX VALERIE

Associate Professor in Otorhinolaryngology, Cliniques Universitaires Saint-Luc, Brussels, Belgium

HUMMEL THOMAS

Senior registrar ("Oberarzt"), Professor, Department of Otorhinolaryngology, Technical University of Dresden, Germany

KONSTANTINIDIS IORDANIS

Professor of Otolaryngology, Aristotle University of Thessaloniki (AUTH), 2nd ENT Clinic, "Papageorgiou" General Hospital, Thessaloniki, Greece

KOSKINAS IOANNIS

MD, MSc – Specialist Otolaryngologist (ENT Specialist), Head and Neck Surgeon

KYRIAFINIS GEORGIOS

Director, National Health Service (NHS), Otolaryngologist – Audiology Specialist, Head of the Cochlear Implant Center, AHEPA University Hospital

LANDIS BASILE

Professor, Head of the Rhinology-Olfactology Unit, Department of Otorhinolaryngology, Head & Neck Surgery, University Hospital of Geneva, Switzerland

NICOLAIDIS VASILEIOS

Otolaryngologist (ENT Specialist) – Neurotology Specialist, Associate of the ENT Clinic, "Papageorgiou" General Hospital, Assistant Professor of Otolaryngology, 2nd ENT Clinic, Aristotle University of Thessaloniki (AUTH)

Location: Medical School, Aristotle University of Thessaloniki

Organization

Hellenic Society of ENT Allergy,
Immunology & Sleep Disorders

In collaboration with the

1st and 2nd Academic ORL Departments
of Aristotle University of Thessaloniki

Audiology Course director:

Prof. George Psillas

- Micro-otoscopy, Otendoscopy
- Pure Tone Audiometry, Tympanometry
- Pediatric Visual reinforcement audiometry
- Auditory brainstem response
- Otoacoustic Emissions
- Vestibular Testing

INDEX

OTTAVIANO GIANCARLO

Associate Professor of Otorhinolaryngology,
University of Padua

PHILPOTT CARL

MB ChB, DLO, FRCS(ORL-HNS), MD, PGCME, SFHEA
Professor of Rhinology & Olfactology, University of
East Anglia

PSILLAS GEORGIOS

Professor of Otolaryngology, Aristotle University
of Thessaloniki (AUTH), 1st ENT Clinic, AHEPA
University Hospital – Specialist in Audiology
and Neurotology

ROVA KALLIOPI

Consultant Otolaryngologist, Specialist in
Neurotology & Audiology, “G. Papanikolaou”
General Hospital, Thessaloniki

TRIARIDIS STEFANOS

Professor of Otolaryngology, Aristotle University of
Thessaloniki (AUTH), Chair of the Department of
Medicine, 1st ENT Clinic, AHEPA University Hospital

TSAKIROPOULOU EVANGELIA

Otolaryngologist (ENT Specialist),
Private Practice

VALSAMIDIS KONSTANTINOS

Otolaryngologist and Head & Neck Surgeon – PhD,
Aristotle University of Thessaloniki (AUTH)
